

Presentation Title:

Much Ado about Noting: A Value Based Physicians Approach to HCC Coding.

Objectives <ul style="list-style-type: none"> • Define and understand HCC/RAF Coding as opposed to CPT/RVU Coding. • Describe how HCC Codes are captured and reported. • Understand the impact of precision and timing of HCC Codes. • A working familiarity with most common HCC Codes and most common under-reported HCC Codes. 					Group size 5-50	
#	Time		What	Who	Why	How
	00:00	Open	<ul style="list-style-type: none"> • Welcome • Agenda 		Join us on VBC journey. Slides, cases, discussion.	
			<ul style="list-style-type: none"> • Purpose 		To learn basic rubric of HCC coding.	
	00:20	Body	<ul style="list-style-type: none"> • Slides 1-19 (may potentially skip if all participants have watched video recently). 		Overview HCC.	Slides 1-11 (note could save 30-45 minutes if have participants watch video overview before they come).
	00:25		<ul style="list-style-type: none"> • Task 1 		Definitions.	Individual, small group, large group.

#	Time		What	Who	Why	how
	00:40		•Task 2		Complexity of visit vs complexity of patient.	Individual, small group, large group.
	00:55		•Task 3		Importance of timing of codes by year.	Individual, small group, large group.
	1:10		•Task 4		Practice with numbers. (do not get to code f or h/o).	Individual, small group, large group.
	1:25		•Task 5		More complicated case. More codes.	Individual, small group, large group.
	1:30		• Slides 20-30 (unless viewed video then could move on to questions).		Few more particulars.	Slides.
	1:45	Close	• Questions		Get them in the heart.	Large group discussion.
	1:50		• Summary/closing comments
